PAST PERFORMANCE — All projects were completed on time and within budget

- **SGU National Monument Committee** – Acted as the Environmental Project Manager responsible for remedial oversight on the 3 year, \$400,000 project. Now, volunteering as Committee secretary and advisor to chair. Contact available upon request.
- **TDM Associates, Inc.** – Served as Licensed Environmental Professional (LEP) of record and provided site due diligence, investigation, Transfer Act Filings, characterization, remediation, groundwater monitoring, and final Verification, as a Project Manager. The project lasted 4 years and cost \$200,000. Contact available upon request.
- **City of Bristol - Bristol, CT** – Provided remedial oversight and coordination with the EPA of a former service station, as a Project Manager and LEP of Record. The site was Verified and received a ‘Letter of No Audit.’ The EPA funded project cost \$180,000 and lasted 3 years. Contact available upon request.
- **POKO Partners, LLC** – Managed several Brownfield projects, including Phase I Site Assessments, site characterization, tank removal, remediation, and EPA and CT DEEP filings. Project funding included both EPA and DECD sources. Projects totaled \$600,000 over a period of 4 years. Contact available upon request.
